B&W Video Intercom Security Kit

See, Hear & Speak to visitors

DIY B&W Video DoorphoneTM

The Swann DIY B&W Video Doorphone is great for safety viewing who's at the door without having to open it. With its contemporary slim silver style, it is easy to use and install**. You will love the convenience of the 2-way audio to see the person at the door and carry on a conversation through the intercom. The unit has a 4" black and white flat CRT screen and a push button door open feature*. The camera has close range night vision up to 19"/50cm so you can see who is at the door any time of the day or night. The Swann DIY B&W Doorphone is the perfect, affordable security screening solution for homes, offices, apartments, owner occupied or rental properties.

* requires optional electronic door latch, sold separately,
** may require cabling to be run through roof, carpet, skirting or ceiling.
