**14+**  
FOR AGES

- STABILISATION
- FLASHING LIGHTS
- INDOORS
- 3D CONTROLS  
MULTI-DIRECTIONAL
- 6 x AA BATTERIES\*
- 5mins  
FLYING TIME
- BONUS  
SPARE SET OF ROTORS

**Made for Indoors**

A small and light RC helicopter made of specialized, lightweight materials built specifically for indoor use. It comes with a spare set of main rotor blades, rear rotor and bonus landing pad.

**No setup, simply charge and take off**

Comes fully constructed and ready to fly. Simply charge the battery and you're away with up to 5 minutes flying time per charge! Charges off the remote control within 20-30 minutes.

**Easy to control with realistic movement**

The advanced 3.5-channel, infrared remote control operates 6-ways Up/Down, Forward/Backward and Left/Right turns to give you full control and a realistic real-life helicopter motion.

**Small, agile and lots of fun**

Super easy to fly and will have you performing death-defying turns, dives and stunts in no time! The fine-tuning rotation trim controller and Swann Easy-Fly Gyro technology enables you to perfect your flight.

**REMOTE CONTROL**
