TV Observation System Security Video Camera Kit

For Great Security Value

Protect your valuable property and loved ones with Swann's TV Camera Observation System. Using a high quality lens system, the camera delivers crystal-clear pictures to a TV, VCR, or Swann security monitor.

The camera has a built-in microphone allowing you to hear exactly what's going on. Mount it to a wall or ceiling and tilt the adjustable stand to achieve a viewing angle that suits your needs.

Available in Black & White or Color
