

Flashclub™

Mini Optical Mouse

Click & move to the beat

Continuously flashes
multiple colours

Dare to be Different:

The Flash Club™ mice are daringly different, with cool flashing lights inside the wheel scroll.

Smoother Experience:

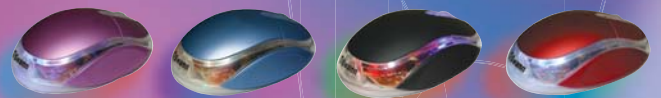

With no mouse ball attached, it provides a smoother click & move experience.

Optical Technology:

Optical technology allows the mouse to be used on different surfaces eliminating the need for a mouse pad.

- 800 DPI
- Windows/Mac Compatible
- Operating System:
MS-Windows
98/2000/ME/XP
