DIY

EASY INSTALLATION

Discreet video monitoring for your home or business

- A small yet powerful camera that stands less than 2 inches or 45mm in height
- See what's happening in full color with crisp 720p high definition video, or use the switch button to lower the resolution to 960H (480p) to suit older DVRs & security recording systems†
- With its tiny size it's perfect for discreet & covert surveillance to check in on tradespeople, visitors, staff, babysitters, pets or make sure family members are okay when you are away
- Watch it directly on your TV with an adapter in the pack to connect directly to your TV's yellow video-in socket
- Easily mount to walls, ceilings & flat surfaces indoors with the long 60ft/18m cable, mounting bracket & screw included for fast installation
- It's another example of security made smarter from the world's number 1* name in Do-It-Yourself security, Swann
