EASY INSTALLATION

Be protected & see every detail in 1080p HD

- Seeing is believing with 1080p (2.1 Megapixels) HD perfect for close up detail such as license plates, faces, clothing colors & more
- Enjoy vari-focal controls for high quality video in any conditions with the flexibility to go from wide angle viewing to long range zoom
- Latest infrared cut filter for amazing night vision & clarity in low light to 100ft / 30m, with sturdy aluminum camera construction to suit indoor & outdoor applications with IP66 rating for any weather conditions
- Camera features a built-in microphone so you can see & hear what's happening^ and longer 100ft/30m cable offers more options when choosing a mounting location for the camera
- Use the On-Screen Display (OSD) controller & built-in software to customize the camera settings including color, brightness & wide dynamic range for the best video quality every time
- This camera can be used in combination with other analog HD surveillance technology including AHD, TVI, CVI from Swann & other brands. It's the perfect addition if you already have a recording solution (DVR) & need extra cameras
- Deter thieves, safeguard loved ones, protect your property & cut the cost of crime with this superior surveillance camera from Swann
