Be protected & see every detail in 4K Ultra HD

- Swann's best ever network video recording security system with Ultra HD 4K high definition live viewing & playback
- State-of-the-art digital imaging technology is perfect for UHD 4K TVs but also produces superior video quality on 1080p HD TVs & monitors
- Includes 8 x Ultra high definition 4K security cameras that produce breath-taking video quality using 4 times as many pixels (8.29 Megapixels) compared to regular 1080p HD (2.07 Megapixels), with IR cut filters for powerful night vision to 100ft / 30m & a weather-resistant rating of IP66 for indoor & outdoor use
- Set & forget by recording continuously from 16 channels for 75 days+ onto a 4TB hard drive (expandable to 12TB). Expand to your needs by adding 8 more NHD-880 bullet or NHD-881 dome 4K cameras for full 16 channel monitoring^
- Save time & have peace of mind by easily locating incident video, then transfer to external storage via USB
- Security in the palm of your hand with live viewing on your Smartphone or tablet including iOS (iPhone, iPad) & Android devices using the free SwannView Plus app
- Amazing surveillance system gives you peace of mind by being able to see the detail you need from longer distances including license plates, faces, clothing colors & more, all in ultra HD
