## See every detail in crystal clear, Super HD

- State-of-the-art security cameras with outstanding 5 Megapixel Super HD video image clarity from 2.3 times as many pixels as 1080p & enhanced digital zoom providing close-up detail that is like comparing the difference between a VHS video tape and a Blu-Ray movie.
- Perfect for large areas such as yards, driveways, hallways, parking lots and more.
- These cameras have EXIR LEDs that emit a rectangular pattern for a more crisp & even night vision image. EXIR LEDs reduce over-exposure at the center of images & reduce darker areas at the corners, allowing you to see in the dark like never before for up to 100ft/30m
- Built to suit any conditions with weather resistant rating of IP67 for indoor & outdoor use
- These cameras can only be used in combination with Swann's Super HD & Ultra HD Network Video Recorders including NVR4-8000™, NVR8-8000™, & NVR16-8000™ for cutting-edge IP surveillance^
- Professional surveillance camera gives you the peace of mind from being able to see the detail you need including license plates, faces, clothing colors & more, all in stunning 5 Megapixels
