Know who's at the door before you open it

- See, hear & speak to visitors before opening the door to give you complete peace of mind
- Enjoy the full color large 7" LCD Display or see black-and-white during the night with infrared night vision
- See & talk to visitors at the Doorbell while visitors can't see you
- Sleek & compact design with an LCD Display that's only 0.55"/14mm thick
- Add 1 more Doorbell Button to another location to cover all entrance areas
- Add up to 3 more LCD Displays in different places of your house to answer & unlock the door from any of them or use the Displays just as audio intercoms
- Add up to 2x Swann CCTV cameras up to 960H (DVD resolution) & see them on the LCD Display^
- Connect one of the LCD Displays to a TV or to a DVR for a full security solution
- Pick your favorite door chime from up to 6 options with adjustable volume
