Smart Security Camera

Wire-Free 1080p Full HD Video Camera

 100% Wire Free Set-up in minutes
 Re-chargeable No costly battery replacements
1080P See Everything With 1080p HD video 24/7
 Weatherproof See what's happening inside or out
FREE 7 Day Recording Local & secure cloud options

 **Connects Wirelessly**
Connect in minutes to your existing Wi-Fi network, with no need for a base station – it's wire-free & hassle free

HD **See More in Full HD**
See faces, license plates, packages & more with crystal clear 1080p full HD video & wide 120° viewing angle during the day & night - ensuring you won't miss a thing

 **Weatherproof**
The camera is certified for outdoor use, meaning it can be exposed to sunshine, rain & snow

 **Easily Rechargeable**
Recharging is fast & easy using the supplied USB cable into your Smartphone's charging wall plug or a computer – no need to replace expensive batteries

 **Long Battery Life**
The camera conserves energy when not in use & its long battery life means you only need to recharge a small number of times a year*

 **TRUE DETECT™** **Heat Sensing**
Swann's True Detect™ heat-based PIR motion detection reliably captures & records activity, with fewer false triggers – it's security you can rely on

 **Free Local Storage**
Save up to 7 days (hundreds) of 10-60 second video clips to the camera's built-in back-up memory

 **Secure Cloud Storage**
Enjoy 2 days of free storage to secure cloud with the ability to expand that to 30 days*, & many more clips, with the protection of 'bank level' privacy encryption

 **Alerts & Playback**
Receive push notifications if activity is detected & playback video clips with audio, all on your Smartphone – now you're always connected

Control, view & listen on your Smartphone

What can I do with this System?

See what's happening from anywhere 24/7

A plug & play security system that allows you to see & stay connected at any time on your Smartphone & tablet

Protect your home at all times

Whether you're home or away, the Smart Security Camera is like another set of eyes, alerting you when activity is detected with push notifications & video recording to local memory & secure cloud

Know when a package is delivered

Porch pirates beware! Now you can see when your package has been delivered, so you can go get it or notify a neighbor to put it somewhere safe

Safeguard your loved ones, pets & property

Check in on your family, pets & belongings at any time to see & hear that everything is okay. It's security made smarter!

The camera's True Detect™ motion sensor distinguishes the heat of large objects, including people & cars, to eliminate false triggers & ensure you receive reliable push notifications
